COMMUNICATIVE ENGLISH LANGUAGE TEACHING INSTITUTE (CELTi), KINDERGARTEN, THOUBAL

Communicative English Language Teaching Institute (CELTi) is a Progressive Co-educational Institute. As the name itself indicates that this institute is an English Language teaching Institute. It emerged in the year 2008 against the English Medium School based on the traditional method of teaching resulting in the students' fatal fate of Oral handicap in the Spoken Skill. This disadvantage deprives of students' opportunity in the time of facing interviews of any competitive exam. The teaching methods adopted in this Institute are based on the modern Psychological Principles and on the well researched findings of the dedicated Professionals from different fields. This Institute is run by an expert team of Early Child Care Education (ECCE) and Foreign Language Teaching Expert (FLTE). It is a registered body bearing registration No. 297 of 2008 under Government of Manipur and recognised by BOSEM, Govt. of Manipur. Its Vide order No. G/54/01/2006/1- dated the 31st March 2015.

LOCATION

CELTi is located at Thoubal Mayai Leikai, M.I. Road, P.O. & P.S. Thoubal - 795138, Thoubal Manipur. It is just about 200 m away from Thoubal Bridge in the West.

AIMS AND OBJECTIVES

“When Learning is Purposeful,
Creativity Blossoms;
When Creativity Blossoms,
Thinking Emanates;
When thinking Emanates,
Knowledge is fully lit;
When knowledge is lit,
Economy Flourishes”.

- * To make an education system which is to retain the smiles on the faces of our children throughout the period of their education, right from the time they start attending school till they take up a job.
- * To make the education system creative throughout and to provide full employment opportunity to all the youth based on their aptitude and capability.
- * To decrease the theoretical burden at the Primary level and to increase it progressively at the Secondary level and to lead finally to higher level teaching.
- * To make the students self reliant on undertaking entrepreneurship and to make them employment generators rather than employment seekers.
- * To nurture the child's curiosity about the environment and to integrate the thinking process with the skill of hand, limb and body.
- * To revamp of the syllabus, the teaching methods and the examination system so that children's creativity is kindled and allowed to grow.
- * To give more emphasis on exploration, innovativeness and creativity through activities.
